CITY CHARTER.

AN ACT

Supplementary to "An Act to reduce the Charter of the City of Chicago, and the several acts amendatory thereof, into one act, and to revise the same," approved February 13, 1863, and the several amendments thereto.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

CHAPTER I.

ASSESSMENTS, TAX COMMISSIONER, ETC.

SECTION 1. The mayor shall, on the first Monday of March, A. D. 1867, or as soon thereafter as practicable, and quadrennially thereafter, appoint, by and with the advice and consent of the common council, a commissioner of taxes, who shall have been a resident of the city for three years, and a freeholder in said city for at least one year prior to his appointment. Said commissioner shall take and subscribe an oath of office, and shall enter into a bond in the penal sum of ten thousand dollars, with two or more sureties to be approved by the mayor, for the faithful performance of his official duties. The salary of said commissioner shall be annually fixed in the appropriation bill by the common council.

SEC. 2. The commissioner first appointed shall, immediately after his qualification, proceed to divide said city into as many and such convenient assessment districts, not exceeding eight, as he shall deem expedient, which shall be known and designated numerically: *Provided, however,* in making such districts, regard shall be had to the natural divisions of said city: *And provided further,* That such division of said city into districts shall be sub-

mitted to, and be subject to the approval of the common council: *And provided further*, That such districting shall only be subject to modification or alteration by a vote of three-fourths of all the aldermen elected, such vote to be taken by ayes and nays, and entered on the records of the council.

SEC. 3. Said commissioner shall keep in suitable books to be provided for that purpose, a record of all information which he may be able to obtain in respect to the taxable property and persons liable to taxation in said city, and all changes in the ownership of real estate in said [city], of which he can obtain information. He shall have power to appoint suitable persons as clerks in said office, the number to be limited and salaries fixed by the common council, whose business it shall be, under his direction, to make and from time to time amend and correct the record of the property in the office of said commissioner, both as regards the ownership and extent of such property, by a daily examination of maps and conveyances which shall be left for record in the office of the recorder of Cook county, and also all maps in the office of the board of public works, which examination he shall be entitled to make free of all charges whatsoever during office hours.

SEC. 4. The common council shall, on the first Monday of March, A. D. 1867, or within thirty days from said time, and biennially thereafter, appoint by ballot one assessor for each division of the city, who shall be a freeholder in said division, and have resided therein at least one year preceding his appointment. The said commissioner of taxes, and the said assessors, shall constitute the "Board of Assessors," the said commissioner being *ex officio* president of said board.

SEC. 5. Said assessors, so appointed, shall take and subscribe an oath of office, and shall enter into bonds in the penal sum of five thousand dollars, with two or more sureties, to be approved by the mayor, for the faithful performance of their duties. The commissioner of taxes is hereby authorized to administer any oath required to be taken by this act or by any law of this State. The said assessors are also hereby severally authorized to administer

any oath required by this act, or by the revenue or assessment laws of the State.

SEC. 6. The assessors shall, as soon after the first Monday of May in each year, as may be, under the direction and supervision of the commissioner of taxes, proceed to examine and determine the valuation of the taxable real and personal estate in their respective districts. Schedules of all the taxable real estate in the several districts shall be furnished by the commissioner of taxes to aid them in the performance of their duties, upon which they shall enter their valuations. Said commissioner, in making out said schedules, may take as his guide the assessment list or collector's book of the previous year, and the list of subsequent conveyances, and such other data as he can find to make them as nearly correct as possible. Said appraisal, together with their appraisal of all the personal estate taxable in said city, shall be completed and filed in the office of said commissioner on or before the first Monday of August, in each year, unless further time shall be granted by the common council.

SEC. 7. Said assessors shall not in any case assess taxable real or personal estate any less than its real or true value, as defined by the State revenue laws. All personal property of every nature and kind, having its actual *situs* within the city, shall be assessed for municipal purposes, in the district where the same may be found, whether the owner resides in the city or not; this provision to extend to and include the proportion of rolling stock of all such railroad or railway companies as run cars or trains into the city, by lease of road-bed or track, or by contract or arrangement with any other railway company or corporation. Such proportion to be ascertained and apportioned in accordance with the statutes regulating the assessment of the rolling stock of such companies the same as though such company owned the track or road-bed.

SEC. 8. The assessors of the several districts shall be furnished with the necessary blanks to take a list of taxable property in their several divisions, by the commissioner of taxes. They shall call at the office, place of business or residence of each person required by law to list his property, and at the office of every

incorporated company, and require such person, or the president, cashier, treasurer, secretary or other officer of such incorporated company, to make a correct statement of his or its taxable property, in accordance with the provisions of law; and the person listing the property shall enter a true and correct statement of such property, and the value thereof, in a written or printed blank, prepared for that purpose, which statement, after being filled out, shall be signed by the person listing the property, and shall also be verified by his oath or affidavit.

SEC. 9. In every case where any person shall neglect or refuse to make out and deliver to the assessor the statement required by this act, or by the revenue laws of the State, verified by oath or affirmation, in addition to the penalties in such case provided by such laws, the common council of said city may provide such other and further penalties as will secure compliance.

SEC. 10. In every case where any person or officer of a corporation, whose duty it is to list any personal property, moneys, credits, investments in bonds, stocks, joint stock companies or otherwise, or any property of a personal nature liable to assessment for taxation, shall have refused or neglected to list the same when called on for that purpose by the assessor, or to take and subscribe an oath or affirmation in regard to the truth of his statement, required to be made as aforesaid, or by any law of the State, when required by the assessor, the assessor shall enter opposite the name of such person in an appropriate column, "refused to list," or "refused to swear;" and in every case where any person required to list property for taxation shall have been absent, or unable from sickness to list the same, the assessor shall enter opposite the name of such person, in an appropriate column, the word "absent" or "sick." When the assessors shall have completed the assessment of the taxable real and personal estate of said city, they shall file the same in the office of the commissioner of taxes, and fix upon a day for the hearing of objections thereto, and the said commissioner shall give notice of the time and place of such hearing by six days' publication thereof in the corporation newspaper. Any person feeling aggrieved by the assessment

of his property, may appear at the time specified and make his objections.

SEC. 11. The said assessors, together with the commissioner of taxes, constituting the board of assessors, shall meet at the time and place designated, to revise and correct their assessments. They shall hear and consider all objections which may be made, and shall have power to make all proper corrections and supply omissions in the assessments, and, for the purpose of equalizing the same, to alter, add to, take from, and otherwise correct and revise the same. They shall continue in session during the business hours of each and every secular day for the period of twenty successive days. Thereafter no change, amendment, abatement or alteration shall be made, nor shall any tax or portion thereof be refunded. A majority of said board shall constitute a quorum.

SEC. 12. When said revision shall have been completed, the commissioner of taxes shall enter, in one or more books to be prepared for that purpose, a complete list of all the taxable real estate in said city, according to the schedules as returned and revised by the board of assessors, showing, in a proper column, to be ruled for that purpose, the names of the different owners, so far as known to the said assessors; and in another column, the amount of the valuation made in each case. Said books shall also have ruled therein an appropriate column for extending or inserting the amount of the tax which may be levied on said property. Said book or books shall together constitute the tax list of real estate for such year. The commissioner of taxes shall also enter in another book or books, to be prepared for that purpose, a complete list of the taxable personal estate in said city, as returned and revised by the assessors, showing in the proper column the names of the different persons whose property has been assessed, and in other columns the valuations made by the assessors. Said books shall also have ruled therein, an appropriate column for extending or inserting the taxes which may be levied thereon. Said book shall constitute the personal tax list for such year. The commissioner of taxes shall add up the valuations in each list, and the aggregate amount thereof shall be entered by him at the foot of the appropriate column on the last page. When said

tax lists shall have been so completed, they shall be signed by said assessors, or a majority of them, and the tax commissioner, after having been ascertained to be correct, and left in the custody of said commissioner of taxes, and shall constitute the only record to be referred to in any case in which their said assessments may be drawn in question.

SEC. 13. The common council shall thereupon, by an ordinance or resolution, levy such sum or sums of money as may be sufficient for the several purposes for which taxes are herein authorized to be levied, (not exceeding the authorized per centage,) particularly specifying the purposes for which the same are levied.

SEC. 14. It shall be the duty of the commissioner of taxes to estimate the several taxes levied by the common council, computing them together as one tax, and to insert the total amount of such taxes in the appropriate column of the several tax lists, opposite to the person or property chargeable therewith. When completed, the tax commissioner shall attach to each of said tax lists a warrant, to be signed by the mayor, comptroller and tax commissioner, and the city clerk shall affix the corporate seal and countersign the same, directed to the collector, commanding him to make, levy and collect, as the taxes for such year, the several sums of money set opposite to the real and personal estate, or persons in said tax lists mentioned or described, of the goods and chattels of the respective owners of such real and personal estate; which warrants shall also designate the names and rates of the several taxes included therein.

SEC. 15. Said tax lists, with the warrants attached, shall be delivered to the collector by the comptroller, as heretofore, who shall in all things proceed as now required by law.

SEC. 16. Every person who shall be guilty of willful and corrupt false swearing or affirming in taking any oath required by this chapter, shall be deemed guilty of willful and corrupt perjury, and shall be punished accordingly.

SEC. 17. The common council, in order to remedy any unforeseen defect or omission, shall have the power at any time, upon the recommendation of the commissioner of taxes, by ordinance, to so modify or add to the requirements of this chapter, as to perfect the assessments to be made in said city for municipal purposes: *Provided, however,* that no such modification or addition shall be made unless at a regular meeting, after due publication thereof, and then only by a vote of two-thirds of all the aldermen elected, said vote to be taken by ayes and noes, and entered on the minutes of the council; and in case the same is vetoed by the mayor, it shall require three-fourths of all the aldermen elected to pass the same over such veto.

The board of assessors hereby created shall perform all the duties in relation to assessing property, for the purpose of levying the taxes imposed by the common council. The assessors, in the performance of their duties, shall have the same powers, and be subject to the same liabilities as are or may be given by law to town assessors, unless otherwise provided in this chapter.

The State laws for the assessment of all taxable real and personal property now in force, or that may hereafter be adopted, unless in conflict with this chapter, or the acts to which this is an amendment, shall apply and govern in making municipal assessments.

SEC. 18. Personal property shall be listed for municipal purposes, with reference to the quantity on hand and owned on the first day of April in the year for which the property is required to be listed, including the property purchased on that day.

SEC. 19. When any person shall commence merchandizing in said city after the first day of April in any year, the average value of whose personal property employed in merchandizing shall not have been previously entered on the assessor's list for taxation in said city, it shall be the duty of such person to make out a sworn statement of the probable average value of the personal property by him intended to be employed in such business, until the first day of April thereafter, and deliver the same to the tax commissioner, who shall enter the same on the tax list of the proper division or district, and shall pay to the collector of said city a

sum which shall bear the same proportion to the levy for all purposes on the average value so employed, as the time from the day on which he shall commence merchandizing aforesaid to the first day of April next succeeding shall bear to one year.

SEC. 20. When any person, firm or corporation shall commence or engage in the business of insurance, banking, dealing in stocks of any description, or in buying or selling any kind of bills of exchange, checks, drafts, bank notes, promissory notes, or other kind of writing obligatory, or in any other business whatever, after the first day of April in any year, the average value of whose personal property so employed in such business shall not have been so entered on the assessor's list for taxation in said city, it shall be the duty of such person, or firm, or such corporation, by its president, secretary, or principal accounting officer, to make a sworn statement, and deliver the same to the tax commissioner, giving fully the probable average value of the property by him, them or it intended to be employed in such business until the first day of April thereafter, which amount shall be entered on the tax list, and the tax collected as in other cases.

SEC. 21. Should any person, firm or corporation fail or neglect to make out sworn statements of their property as required by the two preceding sections, and report the same to the tax commissioner, it shall be the duty of the assessors to assess them as therein required, as nearly as may be, adding thereto ten per cent. in addition to the existing provisions of law.

SEC. 22. If any real or personal property shall have been heretofore or shall hereafter be omitted in the assessment, or on which the city for any cause shall have failed to collect the tax of any year or number of years, the same, when discovered or ascertained, shall be assessed by the assessor for the time being and placed on the assessment list with the arrearages of tax that should have been assessed, with six per cent. interest thereon from the time the same ought to have been paid.

CHAPTER II.

BOARD OF PUBLIC WORKS.

SECTION 1. The board of public works shall consist of three commissioners, who shall be appointed on or before the first Monday of April next by the mayor of the city of Chicago, with the advice and consent of the common council—one from the south, one from the west and one from the north divisions of said city, each of whom shall have been a resident of said city at least three years and a resident freeholder in the division of said city for which he is appointed, at least one year immediately preceding such appointment. Said commissioners, when appointed, shall hold their offices for the term of years following: The one for the south division of said city, for six years; the one for the west division of said city, for four years; the one for the north division of said city, for two years, and until the appointment and qualification of their successors. The term of office of one commissioner of said board shall expire every second year, so that one commissioner of said board shall be appointed every second year, from the division of the city in which the commissioner resides whose term of office expires; such appointment being for the full term of six years. Should a vacancy occur, it shall be filled by appointment by the mayor, with the advice and consent of the common council, for the unexpired term.

SEC. 2. All acts or parts of acts now in force, relating to the board of public works as now constituted, not inconsistent with the provisions of this act, are continued in force and shall apply to the board of public works as provided for in this act, and all the powers and duties conferred therein on the present board shall be and are hereby conferred upon the board of public works as provided for by this act; and all acts or parts of acts inconsistent herewith shall be repealed from and after the first Monday of April, A. D. 1867, and all such acts or parts of acts to be continued in full force and effect until said date. The terms of office of the present board of public works shall expire on said day, or so soon as their successors are appointed and qualified after such

date. The salary of the board of public works, as provided for in this act, shall be not less than three thousand dollars annually, to be fixed by the common council.

SEC. 3. The board of public works of said city, in addition to the power hereinbefore conferred, are hereby authorized, from time to time, as it shall be deemed by them for the interest of said city, so to proceed, to advertise for proposals for the construction or reconstruction, or relaying of all or any portion of the sidewalks which may be required to be constructed or reconstructed, or relaid during the whole or any part of the municipal fiscal year in which such proposals are received, according as the same shall be ordered by the common council or by said board, according to the provisions of the act of which this is supplementary, the general provisions of said act relative to the letting of work and the execution of contracts, except so far as inconsistent with the powers hereby granted, to apply to this section.

SEC. 4. In case the prosecution of any public work should be suspended in consequence of the default of any contractor, or in case the bids for doing any such work should be deemed excessive, or the persons making proposals not responsible or proper persons, the board of public works may, if the common council shall, by resolution, by a three-fourths vote of all the members elected, authorize them to do so, employ workmen and procure the necessary tools and machinery and materials, to perform or complete any improvement ordered by the council, provided the expense thereof shall not exceed five thousand dollars.

SEC. 5. The common council shall have power to cause public sewers to be constructed and laid in the streets and alleys and public grounds of said city; to establish or change the dock lines of Chicago river and of Chicago harbor so as to facilitate navigation on the same; and to cause water and gas service pipes, with their necessary stop-cocks and other fixtures, to be constructed and laid so as to connect with the gas or water mains in the streets of said city.

SEC. 6. The provisions of the acts to which this is supplementary as to the manner of making application for any improvements to be executed by said city, are hereby made to apply to the improvements specified in the foregoing sections.

SEC. 7. After a street has been filled, curbed, macadamized, or paved, or filled, curbed and graveled, it shall be lawful for the common council to provide for the payment of any subsequent improvement in whole or in part out of the general fund.

SEC. 8. When in any case it shall be deemed necessary by the board of public works to cause any sidewalk to be raised, lowered, repaired or relaid, or any private drain to be raised, lowered, repaired or cleaned, it shall be lawful for said board to require the owner of the premises in front of, adjacent to or upon which said improvement is to be made, to make the same forthwith, or within such reasonable time as the board of public works may prescribe, upon written notice to that effect; or the board of public works may cause the work to be done and paid out of any moneys in the treasury at their disposal. Said board shall then report to the common council the amount of said expenditure, giving a description of the lots or premises liable therefor, and the amount for which each is chargeable. The common council shall thereupon assess the said expenses, by an order, ordinance or resolution, upon such lots respectively, and the same may be collected by warrant and sale of the premises as in other cases.

In like manner when the common council shall have ordered the construction, or reconstruction, or repair of any sidewalk, private drain, or gas or water service pipe, it shall be lawful for said board to cause the work to be done and paid for as above, or by an agreement with a contractor, payment to be made out of the special assessment to be levied for the same, and shall then report to the common council the cost and expense of said work, with all proceedings relative thereto, giving a description of the lots and premises to which said expense is chargeable, and the common council shall thereupon assess the said expenses upon such lots respectively, and the same may be collected by warrant and sale of the premises, as provided above.

A suit may also be maintained against the owner of such premises for the recovery of such expenses, as for money paid and laid out for his use and at his request. The common council may also, by ordinance, impose such penalties upon the owners aforesaid, for any neglect or refusal to comply with the aforesaid requirements, not exceeding twenty dollars for each day's neglect, as to the said common council shall seem most proper. All assessments authorized under this section shall be collected by said city, with damages at the rate of one per cent. a month thereon for each and every month that any such assessment shall remain unpaid, thirty days after the time when public notice shall have been given by the city collector that the warrant for such assessment has been received by him for collection.

SEC. 9. Section 11 of chapter IX of said act, approved February 13, 1863, is hereby so amended that in case of assessments made in accordance with the foregoing section, damages on any assessments which shall remain unpaid after the collector shall give public notice that he has received the warrant for its collection, shall begin to accrue at the rate of one per cent. a month thirty days after the date [of] such notice.

SEC. 10. It shall be lawful for the common council, on the recommendation of the board of public works, under the provisions of section 38 of chapter VII of the said act, approved February 13, 1863, to levy a tax for the whole or any part of the expense for an improvement of the character specified in said section.

SEC. 11. Under the provisions of section thirty-four (34) of chapter V, of the act to which this is supplementary, approved February 13, 1863, the common council is hereby authorized, in the event that any improvement shall be ordered after the making of the annual appropriation, some portion of the expense of which shall be assessed by the commissioners of the board of public works on some lot or lots of land owned by said city, to appropriate and borrow money for the payment of such assessments, as is provided for cases enumerated in said section.

SEC. 12. For the purposes specified in chapter XV of the act approved February 13, 1863, of which this is amendatory and supplementary, the said city shall have power to borrow from time to time, a sum of money not exceeding one million of dollars, and to issue bonds therefor; and all the provisions of said act, as to the issue, custody and sale of water loan bonds, and the custody and disbursement of the proceeds thereof, shall apply to the loan hereby authorized, except as herein otherwise provided.

SEC. 13. If from any cause the city has, heretofore, or shall hereafter fail to collect any tax on the general tax warrant of said city, in any year, or in case the receipt of the revenues of said city shall fall short of the amounts appropriated by the common council, it shall be lawful for the said council to authorize the mayor and comptroller to borrow a sufficient amount of money to meet any such deficiency, for any length of time not exceeding the close of the next municipal year, and to issue and negotiate bonds or certificates of indebtedness therefor, which said amounts shall be provided for in the annual appropriation bill of the municipal year next succeeding such loan.

SEC. 14. Upon receiving an application for the making of any improvement of any street, lane or alley, the said board shall proceed to investigate the same; and if they shall determine that such improvement is necessary and proper, they shall report the same to the common council, accompanied with a statement of the expense thereof, and a proper ordinance or order directing the work, and shall in such estimate specify how much of said expense, in their opinion, may be properly chargeable to real estate especially benefited by such improvement, and how much thereof may be properly chargeable to and paid out of the general fund, or out of the proceeds of any general tax authorized to be levied by said city. Having reported on such application, and recommending that the improvement be made, or disapproving of the doing of it, as is provided for in the above mentioned act, the common council may then, in either case, order the doing of such work or the making of such public improvement, after having first obtained from said board an estimate of the expense thereof; and shall in such order specify what amount of said estimated expense shall be

assessed upon the property deemed especially benefited, and what amount shall be chargeable to and be paid in of the proceeds of the general fund or out of the proceeds of any general tax authorized to be levied by said city.

SEC. 15. No alderman shall, during his continuance in office, receive any compensation for his services, or be appointed to or competent to hold any office, the emoluments of which are paid from the city treasury, or paid by fees, in pursuance of any act or ordinance of the common council, and no member of the common council, or other city officer, shall be directly or indirectly interested in any contract, the expense or consideration of which is to be paid under any ordinance or resolution of the common council.

SEC. 16. The power of assessment conferred by section 1 of the act amendatory of the revised charter of said city, approved February 15, 1865, is hereby extended to and made to include the laying or relaying of any gas or water service pipe, to be paid for wholly or in part by special assessment, and the doing of which is within the authority and discretion of the municipal government of said city, and the commissioners of the board of public works shall assess the amount directed by the common council to be assessed for any such improvement, with the costs of the proceedings therein, upon the real estate by them deemed specially benefited by such improvement, in proportion, as nearly as may be, to the benefit resulting thereto.

SEC. 17. In case it shall hereafter be determined by judicial decision that any of the improvements authorized by law, or by this act, to be done or made by the city, cannot be paid for in whole or in part by special assessment for benefit, then it shall be lawful for the common council, and they are hereby authorized to levy and collect taxes for such purposes on all the property assessed in said city for taxation for general revenue purposes.

CHAPTER III.

The board of police, in their annual estimate of police expenses, made to the city comptroller, shall, if in their judgment the public weal requires it, recommend to the common council such additional police patrolmen, and also such additional sergeants, not exceeding twenty, as may be necessary.

SEC. 2. The common council may, on such recommendation of said board, provide by ordinance for such increase of the patrol force: *Provided, however,* it shall require three-fourths of all the aldermen elected to pass such ordinance, such vote to be taken by ayes and noes, and entered on the records of the council.

SEC. 6. Upon the passage of any order referred to in the fourth section of this act, the board of public works may, in their discretion, cause said improvement to be made, and paid for out of any moneys in the treasury at their disposal, and afterwards cause the expense thereof, together with all costs, to be reimbursed by a special assessment, to be levied and collected as in other cases.

SEC. 7. Section thirty-nine of chapter seven of the act of 1863, of which this is amendatory, is hereby amended by striking out therefrom the words "of all improvements at the intersections of streets or alleys, or of streets and alleys (excepting sidewalks and area or street walls)."
